February 2003*

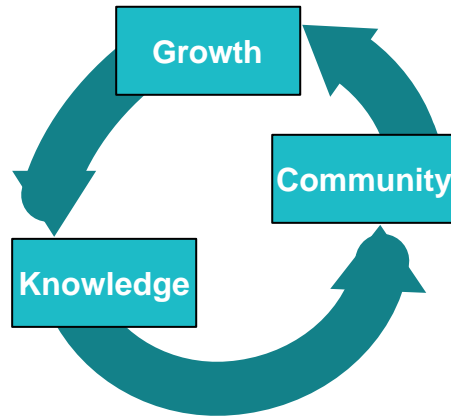

Presentation also available on Forum website - www.knowledgewave.org.nz

The Big Picture

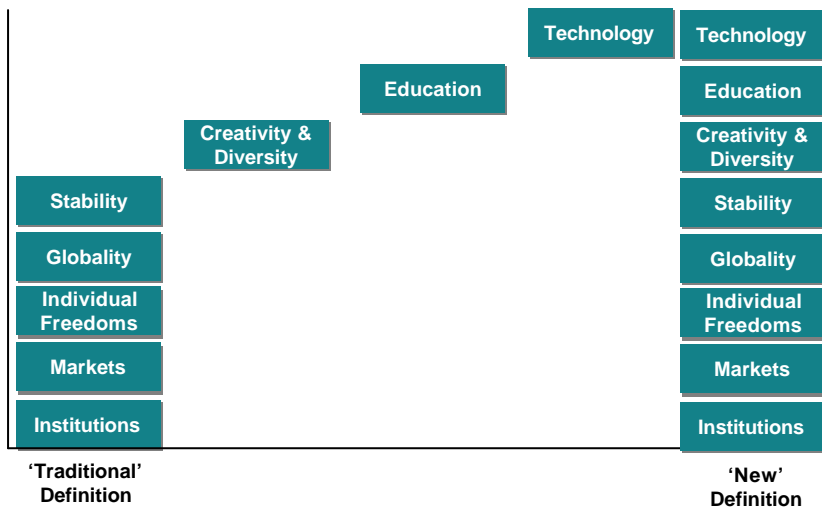

Growth is Good

Intrinsic to Community

We've got a problem

Updating the Fundamentals

Execution and Attitude

Scale

Incremental

OR

Brave

“... We need to be challenged by new approaches”
- John Hood

Companies

Domestic

OR

Global

“Seize the export challenge”
- Chris Liddell

Government

Central

OR

Connective

“Erogenous zone that leads to growth”
- Kevin Roberts

Execution and Attitude

Ideas

Constrained

OR

Open

“National institutions often display a siege
mentality towards criticism”
- James Belich

Community

**Timid Consensus
Victims**

OR

**Bursting with
Initiative
and Tolerance**

Action Plan

Institutions

1. Introduce Growth Test

Markets

2. Keep world best practice on the 'traditional' fundamentals

Individual Freedom

3. Keep world best practice on tolerance and individual freedom

Globality

4. Secure preferred trade and investment relationship, in particular, with Australia, China, US

Stability

5. Market New Zealand

Creativity & Diversity

6. Enhance broad based funding of "creative core"

Education

7. Link to education summary

Technology

8. Focus and improve effectiveness of research funding

Top half of OECD ASAP

Summary

1. Can Do
2. Great Fundamentals
3. Get Real

Go Team NZ
